The Importance of Training;

Most men can walk into a room of boys and be somewhat effective in teaching them, for a period of time. Soon you will run out of ideas, become frustrated and want to quit. How can you be effective teaching boys? You need to be trained. It has been said that “Knowledge is Power”, and that is so true with boys. Royal Rangers is a mentoring ministry for future men. You as a leader need to be well equipped to guide them on their journey to maturity in both life skills and in faith. A boy's regular interaction with godly men builds confidence and answers a boy's deepest question: “Do I have what it takes to be a man?” The young man arrives at the answer over a period of time as he regularly tests and compares his developing strength against that of other men. You are his “benchmark.” Are you equipped to lead him into a godly manhood? Take advantage of Royal Ranger training so that you can be effective to “Reach, Teach and Keep boys for Christ.”
